Well Done Alan & Fiona,
Great Night. We really enjoyed it. It was a good mix of music and you did well keeping the floor busy all night. See you both soon

Hi Alan & Fiona

We too enjoyed our night with. There was something for everyone and it was really good doing dances old and new. You both worked real hard and made the perfect hosts for a great evening.

Thanks

Hi everyone

Just got in - thanks to you all for coming - never seen one of our socials so packed - the floor was packed - great atmosphere comes from a great crowd!

We had not only some of our own class members - the Swifts came all the way from Yorkshire, Kim Ray and Co from Milton Keynes - a whole crowd of you with Andy and Barbie from Luton and Beds - and not forgetting of course Mick Bennett and co from Leigh-On-Sea and Stacie and Diane all the way from near Gatwick Airport! What troopers to travel so far!

Thanks guys.

Thanks again - see you all next week!

Thanks Alan and Fi for a brilliant night, lots of fun and dancing, and thank you for letting us all celebrate your anniversary with you.

It was so nice to meet some new people (the Swifts, Mick Bennett, Stacie and Diane) as well to catch up again with others. I hope to see you all again out and about on various dance floors.
